Energizer® EZ Change®

Change your batteries without changing your plans

The Energizer® EZ Change® hearing aid battery dispenser is simple enough for anyone to use. Our portable battery dispenser makes it easy to replace your battery wherever and whenever you choose.

Small and in charge

About the size of a silver dollar, the Energizer® EZ Change® dispenser fits in almost any pocket or purse. The simple design of this hearing aid battery dispenser takes all the hassle and frustration out of handling such small batteries.

Features & Benefits

- A. Magnet holds battery securely
- B. Thumb Slide pushes out one battery at a time
- C. Clear Cover lets you view how many batteries are left
- D. Dispenser has a contoured base for better grip

Additional Benefits

- Compact for easy carrying
- Works with most hearing aid styles and is available in every battery size
- Battery goes straight from dispenser to hearing aid
- Dispenser keeps batteries fresh by protecting them from dust and dirt

Hearing Aid Battery innovation

The more hassle-free we make hearing aid batteries, the better your hearing aid experience will be. We are always looking for ways to improve our packaging and batteries.
