The Budrack Professional Series provides all of the features that one expects in a high end Cabinet Rack and more! Each rack includes the following:

- Sturdy and durable steel construction. Mounting rails – 14 GA, other parts 18 GA.
- Furnished complete with ventilated tempered glass front door, locking rear door, removable sides
- EIA 310 Compliant for 19" mount equipment
- Two pairs of fully adjustable panel mounting rails included The panel mounting rails include unique notch at each "u" point to allow for rapid equipment location identification
- Top Mount fan box installed. Two fans for 23" depth, four fans for 31" depth
- Includes ventilated shelves (one shelf in the 24U high cabinet, two shelves in the 40U and 45U cabinets)
- Includes Installed Casters
- Large cutout in base. Cutout comes covered by 2.5" deep metal cover plates that allow for adjustable opening providing as much or as little open space for cable access
- 2 additional 13" x 2.5" cutouts in front and rear of the base also come with readily removable covers
- Vented at top and bottom of sides, which also can be locked
- Comes fully assembled in a wooden crate to eliminate freight damage
- Finish: Black textured powder coating – easy to clean.
- Other sizes and modifications are available upon request.

Clockwise from top: Top Fan Box, cutouts in base, shelf, ventilation in top, ventilation on one side of door, panel mounting rail with "u" notch
