

# FH29 Series

0.2mm Pitch 1.2 mm Height  
Space Saving FPC Connectors

Mounting Pitch  
0.4mm

## ◆ Features

1. Space saving and light weight
2. Easy mounting in double-sided lead design: 0.4 mm mounting lead pitch
3. FPC alignment mechanism enables high connection reliability
4. Unique and user-friendly actuator operation:  
Tactile sensation allows reliable actuator retention
5. Board surface under the connector is available for PCB patterning
6. Suitable for FPC with mating area thickness of  $0.2\pm 0.03\text{mm}$   
[Industry standard thickness]
7. Satisfies RoHS requirements

## ◆ Dimensions

## ◆ FPC Side-Catcher Design

1. FPC is temporarily retained before the actuator is closed.
2. Precise FPC positioning prevents angled FPC insertion  
→ High production quality independent of each workers' capability
3. Enhanced FPC retention force

**Secure and Highly  
Reliable Connection!!**
