Cat5e Straight Through Modular In-line Coupler

Highlights

Premium cabling for Category 5 and 5e applications — rated for 350 MHz/1Gbps communications

Description

Tripp Lite's category 5e stand alone RJ45 straight inline coupler provides a female-to-female feed-through connection. It allows you to extend the length of a category 5e patch cable by adding another category 5e patch cable. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Package Includes

Cat5e Straight Thru Modular Coupler RJ45F to RJ45F

Features

- For category 5 and 5e applications
- Use to connect two patch cables for a longer cable length
- Straight through design
- Tripp Lite warrants this product to be free from defects in materials and workmanship for life
