Model #: SPIKECUBE

Surge Suppressor - State of the art protection for every application

Highlights

- 1 outlet/direct plug-in
- 750 joule rating

Description

The SPIKECUBE Surge Suppressor from Tripp Lite is a direct plug-in suppressor providing protection on one AC outlet. Its small size makes it ideal for protecting laptop computers, projectors and other portable electronics. A "Protected" LED illuminates to indicate that adequate surge suppression is available. The unit has 750 joules of surge energy absorption.

Applications

Ideal for laptop computers, video projectors, office machines, and appliances

Package Includes

- SPIKECUBE Surge Suppressor
- Warranty and instruction information

Features

- 1 outlet; direct plug-in
- Surge energy absorption: 750 joules; 6,500 amps
- Lifetime product warranty

Specifications
